BOARD OF SELECTMEN

Special Meeting

Dighton Maintenance Facility, County Street, Dighton, Mass.

Wednesday, 25 February 2015, 3 o'clock P.M.

Chairman Dean V. Cronin convened the board of selectmen at the Dighton Maintenance Facility on County Street at 3:15 P.M. on Wednesday, 25 February 2015, with Selectman Patrick W. Menges present, and Selectman Thomas J. Pires absent, and declared a recess for the arrival of all available Highway Department employees and Superintendent Thomas Ferry.

Upon the arrival of Superintendent Ferry, Chairman Cronin lauded the personnel of the Highway Department for their exceptional snow removal efforts during the severe winter of 2015. Clerk of the Board Selectman Menges then read the text of a citation signed by all of the selectmen, the text of which is appended to and part of these minutes, and presented the citation to each of the employees present, whereupon Selectmen Cronin and Menges shook each recipient's hand. Citations for two absent employees were given to Superintendent Ferry to present.

The withdrawal from the Maintenance Facility of the board constituted an adjournment without day, at 3:37 P.M.

Respectfully submitted,
