OVER THE PHONE

SNAP/FOOD STAMP APPLICATION

Given the current state of our nation's economy many seniors may be experiencing difficulty purchasing food. Seniors living on a fixed income may be eligible for SNAP/Food Stamp benefits without realizing it. Seniors may also have applied for SNAP in the past, but were unable to complete the process on their own. We encourage you to call *The FoodSource Hotline* and take advantage of their new over-the-phone SNAP application assistance service, which allows seniors to apply for benefits without leaving their home.

The FoodSource Hotline counselors will not only complete the application over the phone for you, but will also stay in contact with applicants throughout the process to ensure they receive their benefits. Their counselors will ensure that applicants receive the maximum amount of benefits they are entitled to as well as oversee the entire process. *The FoodSource Hotline* also assists current SNAP recipients with questions regarding their cases as well as place referrals for local emergency food resources. *The FoodSource Hotline* has also extended hours in order to serve clients better, Monday through Friday 8:00 a.m. – 7:00 p.m. and Saturday 10:00 a.m. – 2:00 p.m.
