BOARD OF SELECTMEN

Special Meeting – Award Salt Shed Bid
Monday, November 23, 2015, 3:00 p.m.
Town Hall Selectmen's Meeting Room

Meeting was called to order at 3:33 pm by Chairman Cronin.

Bid results were read by the administrative assistant, Karin Brady.

Selectman Menges asked the building commissioner, Jim Aguiar and the Highway Superintendent, Thomas Ferry, if the bids were in order.

There was discussion about the manner in which the shingles would be installed and the discrepancy in price. It was determined that the reason Plan B Construction's bid was low was because the company would be using a lift to install the shingles, instead of setting up staging.

Jim Aguiar mentioned that there were some repairs to be done but they had been included in the bid specifications.

Selectman Goulart motioned, Selectman Menges seconded and it was **VOTED** unanimously to award the project for the Salt Shed roof in the amount of \$52,544.00 to Plan B Construction.

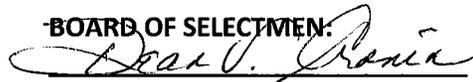

Selectman Menges advised Jim Aguiar to let Plan B Construction know of the award.

There was discussion on the repairs needed for the train used at the tree lighting ceremony. Selectman Goulart asked if it would be possible to ask Bristol Agricultural High School to work on the train and Jim Aguiar also suggested Dighton Rehoboth High School for the repairs.

Selectman Goulart said that the board would mention it when they meet with the superintendent of Dighton Rehoboth High School in December.

Selectman Goulart motioned, Selectman Menges seconded and it was **VOTED** unanimously to adjourn at 3:56 pm.

Respectfully submitted,
Karin L. Brady
