

TOWN OF DIGHTON
ZONING BOARD OF APPEALS
Special Meeting Minutes
October 20, 2015

The Zoning Board of Appeals had a Special Meeting at 1820 Pine Hill Road @ 6:00 PM to view the proposed location of a Ground Mounted Solar Photovoltaic Array. They wanted to view the system and see what abutters would be looking at, address an abutter Mr. Estrella's concerns and see how the characteristics of the neighborhood could be affected if this project was approved.

There were clusters of discussions between the Board members, homeowner Mr. Lombardo, a neighbor Mr. Estrella and US Solar Works.

The Board viewed the Solar Array the discussed potential vegetation that could be planted and the possibility of moving the location of the Array further into the back yard.

After viewing the proposed location of the Array the Board discussed moving the array further into the backyard and away from the side boundary therefore negating the need for a variance. US Solar works agreed that the array could be moved.

Motion Peter Caron second Kenny Pacheco to continue until October 21, 2015 ZBA meeting.

All in Favor

Aye
