This application is in accordance with 310 CMR 9.07 for a **yearly** mooring in the section of the Taunton River under the jurisdiction of the Town of Dighton, Massachusetts.

Your vessel shall be moored outside the navigable channel as designated by the Harbor Master for the year listed. All mooring locations are selected by the Harbor Master only. If the vessel ownership or the vessel description changes, such changes shall be made known to the Office of the Harbor Master within forty eight (48) hours. Failure to do so will result in revocation of this permit. All moorings shall be white mooring balls with a blue stripe. The owners name or vessel registration number shall be clearly displayed on the mooring ball.

A proper mooring is expected to prevent damage to your vessel and to other vessels/property in the harbor. Bottom tackle configurations, bottom chain lengths and sizes, and mooring weight design shall be approved by the Harbor Master prior to setting the mooring.

When this application has been completed and returned to the Office of the Harbor Master at the address above, you will be contacted by that office to meet with the Harbor Master and will be assigned a mooring position or use an existing position per 310 CMR 9.07. Permits are not transferable other than to immediate family.

Dighton Waterways rules and regulations are available in the Town Selectmen's office.

** Dighton Harbor is a **"NO-WAKE"** zone beginning south of the Shawomet Yacht Club extending to the north of Shaw's Boat Yard. This rule is **STRICTLY** enforced.

Please fill in all the data fields above and attach proof from the Town Clerk's office of last years paid excise tax. The application will not be processed without this information. If a yearly renewal is not received by June 1, it will be assumed that the mooring has been abandoned and will be re-assigned to the next eligible applicant.
