Call to Order: Chairman Barbara Catabia called the meeting to order at 4:17 P.M.

Pledge of Allegiance:

Business:

Review / Discuss / Act: Poppasquash Community Club Waiver Request for a Variance under 105 CMR 435.46 to modify the provision for an eight-hour turnover rate set forth in 105 CMR 435.32 "Water Quality Maintenance" part (1)(a) for a semi-public pool located at 1651 Horton Street:

Present representing Poppasquash Community Club, President Tiffany Steele, Vice-president Katie Andrade, and Treasurer Richard Gunther.

Health Agent Todd Pilling gave a brief summary of the pool pump situation at Poppasquash. He stated that they have asked for and been granted this waiver in past years. Last year they were not able to open because when they took the building down, they tried running the pump on a generator. The Board did not allow them to open with a generator to run the pump.

This year they have electricity, but the pump does not meet the required flow rate. They are requesting a waiver, which will also reduce the approved capacity of the pool to 33 people.

Mrs. Steele stated that membership is down due to having been closed for the last two (2) years. The reduced pool capacity would not be a problem. Chairman Catabia stated this will be the last year a waiver for the flow rate will be granted.

Mrs. Steele stated a new pool pump is at the top of their list of proprieties.

It was moved by Nicole Mello, Barbara Catabia stepped down to second and VOTED Unanimously to approve the requested reduced flow rate waiver for 2022, with no other flow rate waivers will be given.

Public input: None

Adjournment:

It was moved by Nicole Mello, Barbara Catabia stepped down to second and VOTED unanimously to adjourn the meeting at 4:47 p.m.

Respectfully Submitted
Rosalind Grassie
