### Key Actions and Discussions

#### Elementary School Building Committee Appointment

- **Resignation:** The Superintendent, Mr. Rooney, informed the board that **Donna Berto** is not seeking re-election in April and has resigned from the Dighton Elementary School building committee.
- **New Appointment:** The School Committee unanimously approved **Nicole Pavo** as the replacement<sup>2</sup>. Ms. Pavo was recommended because she is a School Committee member, a diligent volunteer with the Dighton PTO (raising thousands of dollars), and a parent in the school system, bringing valuable perspectives.
- **Action:** The board voted to accept Ms. Berto's resignation and to appoint Ms. Pavo to the Elementary School Building Committee.

#### Special Town Meeting Warrant Preparation

The board took several "housekeeping" actions to prepare the warrant for the Special Town Meeting:

- **Late Article:** Town Council submitted a very late article, **Article 97**, regarding the **Pleasant Street Bridge** reconstruction.
- **Home Rule Petition:** The article is for a **Home Rule Petition** to take a small amount of **land out of conservation property** near the Pleasant Street park to be used for the bridge work. This was pushed forward because the bridge reconstruction is scheduled to be advertised in September 2026, making it critical to start the lengthy legislative Home Rule Petition process now.

- **Action:** Motions were made and approved to **reopen the special town meeting warrant, add the home rule petition article, close the warrant, and place all articles** on the warrant.
- 

### **Finance Committee Organization**

The board confirmed the Finance Committee membership and elected officers:

- **Chair: Peter** was elected Chair.
  - **Clerk: Ron** was elected Clerk.
  - **Capital Outlay Committee Representative: Tracy** was elected to represent the FinCom on the Capital Outlay Committee.
  - **School Committee Representative: Susan** was elected to represent the FinCom at the School Committee.
- 

### **Reserve Fund Transfer Request**

- **Request:** The board reviewed a request to transfer **\$6,000** from the reserve fund to cover a bill for the **repair of fiber optic lines damaged by squirrels**. The work has already been completed.
  - **Discussion:** A member questioned the labor hours on the bill, noting an apparent discrepancy in police detail hours (4 hours total, but listed as one line item), but the official confirmed \$6,000 was the total bill.
  - **Action:** A motion to approve the **\$6,000 transfer** was made and approved.
- 

### **Special Town Meeting Articles and Funding Recommendations**

The board reviewed and made recommendations on several articles for the Special Town Meeting.

#### **Free Cash and Stabilization Funds**

- The planned deposits to the **Stabilization Fund** and **Capital Stabilization Fund** were reduced from \$200,000 to **\$175,000 each**.
-

- This adjustment was necessary to find funds for a **patrol car** after it was discovered the purchase could not be covered by marijuana funds as originally intended. The official stated the goal was to ensure the town goes into Annual Town Meeting with a "good number" of at least **\$1 million in free cash**.
