May 18, 2023

Dear Residents of Dighton:

On behalf of the Board of Selectmen, I am pleased to submit the accompanying Town of Dighton Annual Town Meeting Warrant. This year's Annual Town Meeting is scheduled for **Monday, June 5, 2023 at 7:00 p.m.** in the **Dighton-Rehoboth Regional High School Auditorium**, located at 2700 Regional Road, North Dighton.

First and foremost, the accompanying Annual Town Meeting Warrant includes the Town's proposed Fiscal Year 2024 Operating Budget. The Town's operating budget development process is carefully-constructed and shaped by meetings between the Board of Selectmen, the Finance Committee, the Town's financial team, and developed in partnership with department heads, boards and committees, and input from Dighton residents.

Fiscal Year 2024 Budget Overview

Efforts to plan for the next fiscal year have centered on a conservative, zero-base justified budget framework initiated by the Board of Selectmen and extended to all departments, boards and committees. Similar to the current fiscal year, we are continuing to adapt to fiscal challenges shaped by a variety of outside factors that have required thoughtful and careful attention.

The guiding approach in our zero-base budget framework began with the starting point for next year's budget at zero, with proposed departmental requests and appropriations being rationalized and justified to the Town Administrator, Board of Selectmen and Finance Committee at each part of the budget development process. **The proposed Fiscal Year 2024 operating budget is a fiscally-responsible, structurally balanced budget plan which continues investments in education and core public safety and municipal services.**

Of note, next year's budget has been built with a cautious approach to revenue and expenditure forecasting. This is especially important with Fiscal Year 2024 being the first year of Bristol-Plymouth Regional Technical School (B-P) building project debt service being assessed to Dighton in the amount of \$254,000 with a projected increase to nearly \$900,000 during the next five years. These increases are anticipated as we also continue to absorb approximately \$149,000 a year in Bristol County Agricultural High School (Bristol Aggie) capital debt service costs on top of typical enrollment-based educational assessment costs for the Dighton-Rehoboth Regional School District, Bristol Aggie, and B-P.

From a strictly financial standpoint, we are now beginning to see a slippery slope where education and educational capital assessment budgets will further crowd out our ability to fund core Town government functions and deferred capital needs. We anticipate that the development of the Fiscal Year 2025 budget will be even more of a challenge. As we approach the next fiscal year, we do so with these challenges at the forefront in order for us to address them head-on.

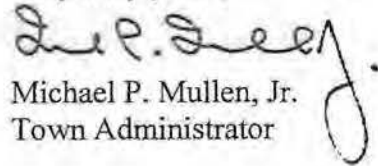

Proposed Capital Articles

As you review the proposed Warrant, you will note various proposed capital funding requests which have been reviewed, ranked, and prioritized by Dighton's re-established Capital Outlay Committee. These are accompanied by respective funding recommendations from the Board of Selectmen and Finance Committee. Article 14, one of the two proposed Warrant Articles to fund necessary building improvements at the Dighton Public Library's planned new home at Smith Memorial Hall at 207 Main Street, has been recommended by the Community Preservation Committee (CPC).

Along with proposed library building and school security funding, \$300,000 in initial funding for the Main Street roadway reconstruction, repaving and sidewalk construction project is another proposed funding priority as outlined in Article 20. The Main Street reconstruction project is being planned as a multi-year, phased project during the next two (2) to three (3) years that leverages various funding streams, including state Chapter 90 and American Rescue Plan Act (ARPA) funding. In the coming weeks, Town officials plan to make a \$250,000 ARPA funding request to the Bristol County Commissioners to fund necessary Main Street drainage and stormwater improvements related to the project.

We look forward to seeing you at Dighton's June 5, 2023 Annual Town Meeting. Please feel free to reach out to the Board of Selectmen/Town Administrator's Office at (508) 669-6431 if you have any questions.

Very truly yours,

Michael P. Mullen, Jr.
Town Administrator

****** IMPORTANT NEWS UPDATE FROM THE TOWN OF DIGHTON ******

Town of Dighton Shares Changes to Mattress, Box Spring and Textile Recycling Per New State Requirements

The Board of Selectmen, together with the Board of Health and Solid Waste Committee, would like to share changes to Dighton's textile, mattress and box spring recycling programs following recently implemented Massachusetts Department of Environmental Protection (MassDEP) solid waste ban regulations.

Late last year, in accordance with MassDEP's 2030 Solid Waste Master Plan objective to reduce disposal statewide by 30% by the year 2030, MassDEP established new rules requiring that mattresses, box springs and textiles be kept out of the trash so they can be recycled or donated for reuse.

Town officials and Solid Waste Committee volunteers have been working during the past few months to implement the changes required under the new state regulations. These mandates and the current challenges of the solid waste industry require us to look at how Dighton will adapt to these issues, some of which remain outside of our control.

At the recommendation of the Town's Solid Waste Committee, the Board of Selectmen and the Board of Health implemented an updated Transfer Station Fee Schedule in December 2022. The Town also entered into agreements with new textile and mattress recycling program providers.

New Dighton Textile Recycling Program

Building on the success of Dighton's 'Pink Bag' Textile Recycling Program, in November 2022, town officials contracted with CMRK's Big Brother Big Sister Program to perform textile recycling services for town residents.

Residents now have the ability to conveniently schedule Curbside Textile Pick-Up of textiles and small household items at their home by pre-registering for a pickup in the following ways:

Visit www.bbbsfoundation.org/schedule-a-pickup to schedule a pick-up;

Call CMRK's Big Brother Big Sister Program Voice Mail Box at 508-466-4590 and leave a message with your name, phone number and address. A scheduling representative will call back within two business days to confirm your appointment.

Text 'PICKUP' to 508-466-4590 with your name, phone and address.

Registered residents will receive a notification the day prior to the pick-up service. They will also receive a reminder notification on the day of pick-up.

The following are textiles and household items accepted for curbside pick-up:

- Bagged Items that are Accepted for Curbside Pick-Up:
- All types, sizes of clean clothing (women, men, children)
- Household Textiles (blankets, towels, curtains)
- All Shoes and Sneakers
- Accessories (purses, backpacks, belts, jewelry, hats, gloves and more)

Boxed Items that are Accepted for Curbside Pick-Up

- Kitchen Accessories (pots, pans, dishes, microwave, glasses)

- Small Décor Items (vases, picture frames, paintings)
- Small Musical Instruments
- Books and DVDs
- Bicycles

Textile and Book Recycling Bins Now Available at the Dighton Transfer Station

Residents can drop off clean unwanted clothing, shoes and books in drop boxes located at the Transfer Station, 865 Tremont St., during the Transfer Station's regular hours of operation.

Requirements of New Mattress and Box Spring Recycling Program at Dighton Transfer Station

We also encourage residents to take advantage of retailer haul-away options when purchasing new mattresses and box springs as well as utilizing state resources like MassDEP's [Beyond the Bin Recycling Directory](#). Town officials have also contracted with Ace Mattress Recycling to provide residents with the ability to properly dispose of unwanted mattresses and box springs at the Dighton Transfer Station.

Through its partnership with the town, Ace Mattress dismantles recycled mattresses and box springs to redistribute or reuse 95% of the material.

The cost for Dighton residents to dispose of unwanted, suitable mattresses and box springs at the Transfer Station is currently \$40. Residents who plan to recycle an unwanted mattress or box spring at the Transfer Station must keep the mattress or box spring indoors, dry, and free from any contaminants prior to delivering it to the Transfer Station. Mattresses and box springs will be screened by the Transfer Station attendant.

The fee for those deemed unacceptable and not suitable to be recycled is \$125. The \$125 fee is the cost to the Town to dispose of unacceptable mattresses and box springs. Those that are deemed as unacceptable and not suited for recycling by the Transfer Station Attendant include those that are:

- Wet or frozen
- Severely twisted, punctured or crushed.
- Infested with bed bugs or other living organisms.
- Soiled or moldy

Please note:

An annual Transfer Station Sticker or one day pass is required to dispose of unwanted textiles, mattresses, box springs and books at the Dighton Transfer Station. Stickers cost \$15.00 per calendar year. Stickers may be purchased at the Transfer Station. Checks only please, we cannot accept cash at this time.

Residents with any questions about these changes are encouraged to contact the Dighton Health Department at 774-872-0943.

For additional information on how and where to recycle, visit <https://www.mass.gov/info-details/how-where-to-recycle#recycling-in-your-community> or go to: <https://recyclesmartma.org/beyond-the-bin-search/>

The Selectmen, the Board of Health and the Solid Waste Committee are working diligently to find ways to cost effectively meet your needs while complying with State mandates. We appreciate your patience and understanding.
