---

Any construction, remodeling, alteration, etc. under 780 CMR, the Massachusetts State Building Code, requires you to obtain a building permit prior to construction.

~

The Animal Inspector will be conducting yearly inspections of all facilities.

~

This information is being requested for the Town to be prepared for an emergency where animals will need to be evacuated, or a disease (i.e. bird flu) where notifications or quarantines would be required.

Documents Needed...
